**M**uslim Community Center for Human Services (MCCHS) is a 501(c)(3) non-profit organization, founded in 1995. The mission of MCCHS is to build strong families and harmonious communities, regardless of religion, ethnicity, race, or place of residence, by providing free or affordable health care, social services, and educational services to those who face barriers to accessing support due to language or cultural differences, or those who are uninsured or underinsured. MCCHS meets the health and social service needs of more than 160,000 immigrants and families from South East Asia, the Middle East and Africa who reside in North Texas.

### MCCHS GIVES BACK TO REFUGEES ON EID-UL-FITR

This Ramadan was generous with donations of food, toys, and stuffed animals during our Eid-ul-Fitr celebration. This free and fun event was held for many immigrant and refugee families from a variety of countries and cultures. There was food, music, dancing, and even face painting! Volunteers from the MCCHS Women's Support Group did an amazing job collecting food and toy donations throughout this month. The volunteers spent the afternoon of Eid setting up the toys, buffet, and face painting tables. The children enthusiastically picked out a stuffed animal and received a toy bucket. The families and children lined up at the buffet table where they were served burgers, chicken strips, buffalo wings, rice, salad, cupcakes, and CapriSun juice packets! The event ended with a piñata full of candy. Our celebration of Eid brought together a diverse community. We want to thank MCCHS staff and volunteers for putting together such a wonderful event.

**MCCHS GIVES BACK TO REFUGEES ON EID-UL-FITR**

MCCHS has supported refugees since 1995 by providing food, clothes, furniture, blankets, and medical supplies. MCCHS understands the stressors that many refugees face such as not having food, clothing and shelter, upon arrival to a new country. We would like to thank **MCCHS donors** and the **wonderful businesses** who always support us like *Goody's Food Store at 904 Melbourne Rd, Hurst, TX 76053*. We are thankful to Goody's Food Store, who provides food for needy families every year in Ramadan and we appreciate their commitment to the community.
